Scope

Description

We are about to enter a Formal UK/PCR Compliant tender process (ompetitive Flexible) to procure a Home Contents Insurance Scheme - the framework commencement date is 1 April 2026

and will last for a period of four years. This framework will be limited to Local Authorities (LA), Large Scale Voluntary

Transfer organisations (LSVT's), Registered Providers (RP)/Social Landlords (RSL's), Housing Associations, Arms

Length Management Organisations (ALMO's), Tenant Management Organisations, housing co-operatives.

Please click on the following link to our website which lists our current memberships and all other eligible members.

Please note the Member Organisations listed will still be eligible to access the framework even if they are subject to

name changes or merger/group structure changes.

Other information

Conflicts assessment prepared/revised

Yes

Procedure

Procedure type

Competitive flexible procedure

Competitive flexible procedure description

A version of the old restricted procedure. Bidders will first be invited to submit A PSQ with grounds for participation questions, based on a reduced specification which does not include commercially sensitive information. Clarifications received at this stage may result in amendments to the specification. All bidders that meet the required grounds for participation will then be invited to submit final tenders with the commercially sensitive information shared at that point.
