II.1) Scope of the procurement

II.1.1) Title

Provision of a Waste Transfer Station

II.1.2) Main CPV code

- 90500000 - Refuse and waste related services

II.1.3) Type of contract

Services

II.1.4) Short description

a) South Oxfordshire District Council and Vale of White Horse District Council (the Councils) operate a shared household waste collection service. This is currently subject to a contractual arrangement with a company that lease a site that includes a Waste Transfer Facility. This will change going forward.

b) Through the shared collection contract, the Council's currently provide separate kerbside collection of co-mingled dry recycling, food waste, garden waste and residual waste and are in the top 5 local authorities in the country for recycling performance

c) the current waste transfer facilities are only used for "dry mixed recyclate" (DMR) which is the co-mingled recyclable waste stream. The non-recyclable (residual), garden waste and food waste all have existing in-district drop-off points and are not included in the contract being tendered.

d) the current transfer station is not secured for the long term. Therefore, the Councils are seeking alternative transfer provision
